Wheeled Marking Wand

| SOLD BY THE EACH | | | |
|------------------|---|-------|-------|
| PART # | DESCRIPTION | LIST | SALE |
| TCK07096 | Wheeled marking wand for inverted paint | 56.75 | 40.50 |

Both APWA and Fluorescent colors are available in water-based and solvent-based formulations. One-coat coverage and Spray-Thru™ cap allows for inverted painting ease. 12 cans per case.

- Bold, bright, visible markings
- Fast-drying formula
- Adheres to hot and cold surfaces
- Non-clogging Spray tip

Wheeled Marking Wand is engineered to reduce finger fatigue and improve efficiency while applying inverted marking paints. Constructed of durable, rugged plastic and lightweight steel. Applies a uniform 1" - 1-1/2" width of paint. 34" length.

*** Sale pricing and free shipping offer is valid to a single destination per order and a minimum of 12 cases. All offers expire on September 20, 2023**
